SHAREHOLDERS & CLIENTS,

ABB achieved several key milestones in the 2nd quarter of 2021, resulting in stellar, well-rounded financial results for your Bank.

In the second quarter of 2021, excluding PPP loans, ABB realized exceptional loan growth of \$118 million or 8% over the first quarter of 2021, and \$212 million or 14.5% over the second quarter of 2020. This tremendous growth represents a 30% annualized rate, primarily from new relationships. Despite ongoing COVID disruption, business momentum remains strong. Our teams continue to deliver exceptionally high levels of service which resonate with entrepreneurial owners coming out of the pandemic. Our unparalleled commitment to our customers sets us apart with every single interaction.

Additionally our strong participation in the PPP program has placed the Bank in the upper echelon of the entire U.S. as measured by PPP loans as a percentage of total loans. Approximately 79% of PPP loan balances originated in 2020 have been forgiven, and the income from the program has enabled ABB to step up our community support by realizing our plan to fund a small business grant program to benefit minority and women-owned businesses.

Finally, ABB's net interest income continues to increase nicely over time showing \$51.6 million for the six months ended 6/30/21 as compared to \$41.8 million for the same period a year ago. Much of this 24% increase is in interest from PPP processing fees and increase in loan and investment portfolio income. Our second quarter earnings of \$9.1 million represent a 35% increase over prior year quarter. The fruits of our labor drove a 10% stock dividend which was awarded in the month of July.

We remain true to our original value proposition and strong ABB culture which helps guide the Bank and the decisions we make daily. This vision to be the best and most complete business bank in Southern California can only be accomplished with the help of our outstanding clients, shareholders, and staff. Thank you all for your involvement and for your loyalty to the Bank.

At your service,

- Leon Blankstein
