# SHAREHOLDERS & CLIENTS,

As the Bank celebrates 24 years of service this year, I reflect on the early days of our formation, and the vision that brought us together, and am most proud that the core principles that set us on a path of success to support our clients still govern our business today. Primarily, this Bank was founded by entrepreneurs to support our entrepreneur clientele.

With Q1 2022 under our belt, national headwinds are gaining strength, mainly in the rising rate environment, squeezed labor market, record inflation, and the lingering effects of the pandemic. As always we will navigate all of these issues by controlling, and emphasizing matters that are under our influence. Chiefly are the continued desire to bank the best clients in Southern California and partnering with them with our advocacy, advice, and expertise.

Our results for Q1 were excellent but first I'd like to acknowledge our lending staff that now total 38 and are to be considered best in class! This includes four new positions since March 31, 2021. These professionals round out the entire group of talented staff at the Bank now totaling 198. All of these folks are collectively responsible for driving our commendable results.

ABB reported net income of \$9.9MM or \$1.08 per fully diluted share for the first quarter of 2022 compared to \$9.7MM or \$1.06 per fully diluted share for the fourth quarter of 2021, an increase of 3%. The highlight for the quarter was generating \$163 million in core loan growth (non-PPP) matching our record increase from the fourth quarter of 2021. Net income increased \$1.0MM or 11% over that of March 31, 2021. The increase to our loan portfolio and income have been punctuated by maintaining our standard of high credit quality, with the Bank reporting nonperforming assets of 0%. We experienced no charge-offs in Q1 2022. Our status as well capitalized – the highest regulatory standard also remains for ABB in the first quarter.

I am grateful to our employees, our clients, and our shareholders for your continued support.

*At your service,*

**- Leon Blankstein**
